

# Parents' Evening

## Show My Homework CPD Sessions

Need some support introducing Show My Homework to parents? We can be there to introduce parents to the benefits of our system for them and their children, ensure they all understand how to log in, know their way around the system, and introduce the Show My Homework App, for iPhone, iPad, iPod Touch and Android Devices.

### Timings:

A bespoke 2-hour session to suit the needs of your Parent's Evening (additional time available on request).

### Requirements:

- Laptop/PC with internet access, connected to a whiteboard/projector.
- *Optional: ICT suite for parent practice session.*

### Focuses:

- The benefits of using Show My Homework for Parents and Students.
- How to access the Show My Homework Calendar.
- Finding your child's homework assignments.
- How to access support.
- Using the Show My Homework App for iOS & Android

### Workflow:

- Introduction to Show My Homework PowerPoint Presentation
- Using the Live Homework Calendar
- Parent Account Dashboard
- Finding your child's homework assignments
- Understanding Gradebook
- Announcements & Events
- Updating Personal Details & Notifications
- The Show My Homework App for Parents and Students

### What we'll practise:

- Logging on for the first time,
- Exploring your account online, and using the App.

If you would like to book the 'Parents' Evening' CPD Session for your school, please contact your Account Manager to arrange a date and time.
