

Saving Time & Sharing Resources

Show My Homework CPD Sessions

Saving Time & Sharing Resources looks at collaboration, to help save time for every teacher, and how Show My Homework builds a database of homework, to be utilised year-after-year. This session also demonstrates how teachers can quickly collate results from self-marking Quizzes and Spelling Tests.

Timings:

A 30 minute module, only available in addition to the 60 minute Refresher Course.

Requirements:

- Laptop/PC with internet access, connected to a whiteboard/projector in school's hall or auditorium.
- Access to ICT suite(s) for staff practice session.

Focuses:

- Saving time by working together, and by using self-marking tasks.
- Building a database of homework for the future.

Workflow:

- Setting Homework Recap OR Setting Differentiated Homework
- My Files
- My Resources
- Setting a Quiz/Spelling Test
- Gradebook
- Searching for Individual Student
- Issued Homework Report
- Submission Report
- Parents Evening Report
- Community Resources
- Show My Homework App for Teachers

What we'll practise:

- Setting Quizzes & Spelling Tests
- Finding relevant homework using the Issued Homework Report, My Resources and the Resources Store

If you would like to book the 'Tracking & Monitoring' CPD Session for your school, please contact your Account Manager to arrange a date and time.
