

Teacher Drop In

Show My Homework CPD Sessions

If you're finding it difficult to arrange a time for all staff to be in one place, choose our drop in sessions. Staff who have been using Show My Homework already can get some dedicated one on one time to learn about Advanced Features. We can also get a few members of new staff trained and logged in during a drop-in.

Timings:

Three hours, minimum.

Requirements:

- Laptop with internet access, connected to a whiteboard/projector in an ICT suite.

Focuses:

Drop in sessions are tailored to the individual staff member, however we can cover:

- Getting new staff logged in and setting Homework for the first time.
- Setting quizzes, spelling tests, differentiated homework and class test reminders.
- Sending marks and comments home via the Gradebook.
- Online Submissions.

Workflow:

The trainer will be situated in an ICT suite ready to welcome Show My Homework users, and walk them through any aspects of the site they'd like to see. We would also then encourage the staff to log in and practise what they've learned.
