

Tracking & Monitoring

Show My Homework CPD Sessions

The Tracking & Monitoring CPD session helps you understand how to find exactly the homework data you need, quickly and easily. This session enables school leaders to make informed decisions on homework, setting clear expectations for Students, Parents and their colleagues, ensuring the school has an effective and meaningful homework policy.

Timings:

A 30 minute module, available in addition to the 60 minute Refresher & Advanced Features course or in combination with the 30-minute Saving Time & Sharing Resources module.

Requirements:

- Laptop/PC with internet access, connected to a whiteboard/projector in school's hall or auditorium.
- Access to ICT suite(s) for staff practice session.

Focuses:

- Discover how Show My Homework makes it easy to find all the data you need.
- Understanding the attributes of each homework report.

Workflow:

- Setting Homework Recap OR Setting Differentiated Homework
- Quizzes & Spelling Tests
- Gradebook
- Searching for an individual student
- School Overview Report
- Homework Frequency Report
- Issued Homework Report
- Submissions Report
- Parents' Evening Report
- Show My Homework App for Teachers

What we'll practise:

- Using Gradebook to apply Submission Statuses and Grades
- Finding data using each Homework Report
